BRINGING YOUR BUSINESS AND PUBLIC SECTOR BUYERS TOGETHER

Don't Miss Contracting Opportunities !

Federal, state and local government spend millions of dollars every year with private vendors and contractors for a wide range of products and services, from alarms to Asbestos removal.

Businesses of all sizes can sell their products and services to the State. It is just a matter of knowing where to find the best contracting opportunities and how to do it!

Don't miss this opportunity to meet with state and local representatives who can help you grow your business. This trade-fair like session will allow you to meet one-to-one with various buyers from state and local government.

Available buyers and representatives include:
